A course on how to pass the IELTS exam for two months

Authored books

GLOBALIZATION OF THE FREE ECONOMY

Nawar Al-Saadi | 2019

There are deep flaws in this view of globalization. The chief one is that established fact and known economic patterns don't support skepticism about the benefits of trade and cross border investment.

🔗 shorturl.at/hsEZ8

INTERNATIONAL RELATIONS & TOURISM SECTOR

Nawar Al-Saadi | 2015

Targeted this book, primarily, the study of the relationship between international relations and tourism, and what the importance of the role of these relationships in the development of the tourism sector, where tourism contributes to closer international relations, cultural, civilization and economic relations between the various countries of the world.
